

CITY OF BRNO
MAYOR
Petr Vokřál

Brno, 30 January 2017

Your Royal Highness,

In the period from 12 to 27 October 2017 Brno will be hosting an exhibition about the wartime aircrew of the Royal Air Force. The exhibition NEBEŠTÍ JEZDCI – Royal Air Force (SKY RIDERS – Royal Air Force) hopes to provide at least partially a picture of the RAF during the Second World War and the significant participation of our aircrew fighting alongside the British and other nations against Nazism. The project is aimed in particular at the younger generation, to make them aware of the heroism of their forbears and the resistance by Great Britain as the last bastion of freedom against the Nazi German empire in occupied Europe.

Sir, it is my honour to invite Your Royal Highness to the ceremonial opening of this exhibition, which will take place on 12 October 2017 at 10 a.m. in the Morava Pavilion in the Brno Exhibition Centre. I also wish to request that as an important figure in the Royal Air Force, Your Royal Highness would agree to become patron of this exhibition.

Sir, it would give me great pleasure to welcome Your Royal Highness to Brno. I would be grateful for information of Your Royal Highness's decision, so as to allow for the taking of all the steps needed for the preparation of such a significant visit.

Yours faithfully,

His Royal Highness
The Duke of Cambridge, KG, KT
Kensington Palace
London
W8 4PU
